Dear Esteemed Counselor,

We are pleased to once again announce a scholarship opportunity for young men at your school who display motivation for personal success, an interest in studying the principles of leadership, and who plan to attend Kansas State University in Manhattan, KS.

Acacia is an organization founded on the pursuit of knowledge and leadership. In that spirit, Acacia is awarding one leadership scholarship in the amount of \$1000 and two in the amount of \$500 each to incoming male freshmen at Kansas State University. Scholarship winners will be selected on the basis of merit as displayed in the enclosed application as well as in an interview which will be scheduled later in the spring.

Acacia encourages and assists young men in developing themselves as leaders and balanced men during their college career. We would be most appreciative of your help in distributing this information and a copy of the enclosed application form to potential Kansas State University students. **The application can also be found and submitted online at www.kstateacacia.org**

We encourage the submission of an application even if a final decision on university attendance has not yet been made. These scholarships are also not membership dependent. Applications must be postmarked or submitted no later than January 26, 2012. The scholarship committee will contact all applicants within two weeks after the deadline to schedule interviews.

If you have any questions, or if we may be of assistance, please contact our scholarship committee. We appreciate your assistance on behalf of your students.

Sincerely,
