PHI KAPPA THETA

Give, Expecting nothing thereof

Greetings from the Brothers of Phi Kappa Theta

Congratulations on choosing Kansas State University for your college education. K-State offers one of the most complete and rewarding college experiences of any university. We are confident that K-State has everything you are looking for and more!

The Men of Phi Kappa Theta are proud to introduce the Man of Faith Scholarship for the fall 2010 semester. We developed this scholarship to reward two incoming male freshmen who have exemplified faith and academics as priorities throughout their high school career. The candidate *does not* have to be pledging Phi Kappa Theta at the point of application or at the time of acceptance of the scholarship. However, it is important to mention that Phi Kappa Theta has a tradition of excellence in providing the complete college experience while developing men into future leaders. We are a historically Catholic fraternity whose four ideals: intellectual, spiritual, fraternal and social form the core of everything we do.

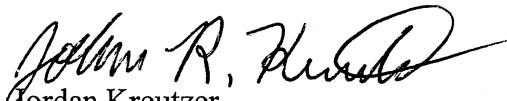

In order to be eligible for the scholarship the applicant must fill out the application packet and attend an interview session. The application packet is comprised of an application and the submission of letters of recommendation. One letter of reference must depict academia as a priority in the applicant's high school career. This letter could be written by a teacher, counselor or mentor and should not exceed one page. The second letter of reference should reflect the importance of faith in the applicant's life. This letter ideally would be from someone like a mentor, youth group leader, teacher, etc. A self-written essay could be substituted for this letter of recommendation and should not exceed one page. The application packet is due on February 1st, 2010. After the applicant has submitted the application, the Men of Phi Kappa Theta will contact the applicant about scheduling an interview time. The Men will be hosting two interview days for the applicants and the interviews will take place at the chapter house in Manhattan. The interview will be conducted by a selected scholarship panel and is a requirement to be eligible to receive the scholarship. The interview days are February 27th and March 6th, 2010.

The scholarship recipients will then be notified on March 27th, 2010. The \$1000 scholarship will be automatically sent to Kansas State University in the name of the recipient and will be applied to the student's fall 2010 tuition.

Thank you for taking the time to apply for this scholarship and if you have any questions please feel free to contact Matt or myself.

Sincerely,

Jordan Kreutzer
