Dear Counselor:

My name is Kevin Tomasu, Vice President of Scholarship at the Sigma Phi Epsilon Fraternity at the University of Kansas. As a current student at KU, I have found that successful students are often ones that work to develop strong leadership skills, to apply classroom teachings, and to establish quality relationships. KU SigEp believes that learning how to balance activities, academics, and relationships in college is one of the most important life skills that a person can learn. We believe that recognizing students who demonstrate balance and overall excellence is one way to promote these important ideals.

On April 25, 2010, KU SigEp will again award "Naismith Scholar" scholarships at a parent/son recruitment luncheon. Recipients will be notified prior to the event. The Naismith Scholarships are in honor of James B. Naismith, the founder of basketball, and a member of SigEp at the University of Kansas. **This year, we are increasing the program, awarding \$10,000 in SigEp scholarships!** We will recognize achievers that demonstrate the attributes of a balanced man.

Additionally, for the top award recipient, we will award a \$250 check to his high school (to a fund at his high school chosen by his high school counselor).

Past recipients have hailed from Elkhart, Chanute, Olathe, Overland Park, Tribune, Leawood, Wichita, Great Bend, Shawnee, Valley Center, and Garden City. Exceptional incoming male students to the University of Kansas in the fall of 2010 are encouraged to apply. An application is included with the letter. If there are multiple applicants, copies of the application are welcome. The application and a copy of an official high school transcript should be postmarked by **January 31, 2010** and mailed to:

Naismith Scholarship Committee
Sigma Phi Epsilon Fraternity
10913 W 120th Street
Overland Park, Kansas 66213-2015

I know many current students, including myself, that would like to have heard about any opportunity to reduce the cost of college and to be recognized for remarkable achievements. Your assistance in making this application available to your top college-bound male students is appreciated. Please contact me at kevin08@ku.edu with any questions.

Thank you again for your assistance!

Sincerely,

A handwritten signature in cursive script that reads "Kevin Tomasu".
