Item #1 Call Meeting to Order /Approve Agenda

The President called the meeting to order at 12:10 p.m.

Mr. Webber moved, seconded by Mr. Mason, to approve the agenda. The motion carried 6-0.

Item #2 Discussion of MS/HS Athletic Events

Mr. Marlin and Mr. Carter led a discussion of the safety guidelines they are suggesting for spectators at our middle school and high school athletic events. These guidelines are for the purpose of keeping our students, coaches and spectators safe and hopefully allowing our students to play their sport for as long as possible. For indoor events, we will limit the number of spectators coming into the gym by giving each participant, coach and manager only two tickets for entry into the game. Upon entering the school building, spectators will be required to wear masks at all times and also practice social distancing. Discussion was also held on whether or not to allow our teams to travel to other schools who are not following our same safety guidelines. It was the consensus of the Board to allow our teams to travel to these other schools, but to continue to follow our own rules/guidelines for safety. All athletes will have temperatures taken before boarding a bus for traveling to another school. For outdoor events, we will not be limiting the number of spectators at least for the time being. Masks will be recommended along with social distancing in the stands. Further discussion may be held at our next regular Board meeting in September after we have held some of these athletic events.

Adjournment

With no other business to come before the Board, Mr. Holloway moved, seconded by Mr. Mason to adjourn the meeting. The motion carried 6-0.

NOTE: These minutes are not considered official until approved by the Board at its next regular meeting.
