

**Parents Right-To-Know  
Title I Annual Notification  
Sublette Elementary School**

This notification is provided to inform you of your right to request the following specific information concerning the school and teachers:

Parents may request information regarding the professional qualifications of their child's/children's classroom teachers and paraprofessionals.

Professional qualifications include:

- Whether or not the teacher has met Kansas licensing criteria for the grade levels and subject areas being taught;
- The baccalaureate degree and any other graduate certification or degree and the field of discipline of both;
- If services are provided by paraprofessionals, their qualifications;
- If the teacher is teaching under an emergency or professional waiver.

All teachers at Sublette Elementary meet the above criteria. Each one is licensed for the grade levels and subject areas being taught. Each one has a baccalaureate degree and none are teaching under an emergency or provisional waiver. The paraprofessional(s), who work under the direction of the Title I and classroom teachers, meet required qualifications for the position.

As a parent you will be contacted by the school if your child is taught by a “non highly qualified” teacher for four continuous weeks or more.

As a parent you have the right to request your child's state assessment scores. You have a right to obtain the school and school district state reports cards.

The district has no barriers according to the McKinney-Vento Homelessness act.

**Parent-School Compacts**

Schools receiving Title I funds are required to make a Parent-School Compact or Learning Agreement available. This Learning Agreement is attached. If you choose to complete one for your child/children, contact your child's teacher.

If you have questions or would like to request further information, please feel free to contact Rachel Lee Principal at (620)-675-2286
